

Dr. J. DAVID LOVE FIELD GEOLOGY FELLOWSHIP

INTENT: To promote the practice of field geology .

AREA OF INTEREST: This Fellowship honors the memory of Dave Love, a dedicated field geologist with few equals. His work has been paramount in the understanding of Wyoming geology. As such the Fellowship is reserved for assistance to field geology projects in Wyoming and the Rocky Mountain region.

QUALIFIED APPLICANTS: To be considered for this fellowship, an applicant must be currently enrolled in a graduate program (M.S. or Ph.D.) at a private or state college or university and be doing a field geology project. A candidate may receive the award only once. If a candidate applied, but did not receive the award previously they are encouraged to reapply with an update on their research.

SOURCE OF FUNDS: In 1987 the Wyoming Geological Association established an endowment fund, the J. David Love Wyoming Field Geology Fellowship Fund, to honor J. David Love upon his retirement from the United States Geological Survey. Interest from this fund is used for the grants.

APPLICATIONS: Application forms can be obtained from Dr. Kent A. Sundell, WGA Scholarship Chairman, Casper College, P. O. Box 1543, Casper, WY 82602, phone (307) 268-2498 or email ksundell@caspercollege.edu. Forms for 2012 are available after February 1, 2012 on the Wyoming Geological Association website.

DEADLINE FOR APPLICATIONS: Applications should be submitted (postmarked) no later than March 9, 2012.

SELECTION COMMITTEE: A committee composed of the Wyoming Geological Association Scholarship Committee, a Love family member and a representative of the Wyoming Geological Survey will screen applications and select the recipients of the fellowships. The committee expects to have made its selection by May 11, 2012.

2012 GRANT APPLICATION
J. DAVID LOVE FELLOWSHIP
Wyoming Geological Association

The following form should be filled out and submitted as an application for a grant from the J. David Love - Wyoming Field Geology Fellowship. The grants will be made in support of field geology projects and have been established to honor J. David Love. Grant requirements are as follows: 1) graduate status, 2) field project located in Wyoming or the Rocky Mountain region. Criteria considered for selection of the recipient(s) will include, but not be limited to, Quality of research, availability of financial support, documentation of budget needs and preparation of the application. The grant may vary in amount up to \$1,000. Send this completed application to WGA Scholarship Committee, P. O. Box 1543, Casper, WY 82602. For more information call (307) 268-2498 or E-mail ksundell@caspercollege.edu. **Application deadline is March 9, 2012**, and application must be postmarked by that date. Selection of recipient(s) is expected to be by May 11, 2012. Candidates will be notified by letter or email soon thereafter. Paper or Emailed copies of this form are acceptable.
